

PLAYER MAP X-RAY

Bridge your team to evolve a static org chart into a dynamic Player Map

Instantly see your relationships with the client and create your client data base – see versus guess

See the foundation of existing Bridges or how you will build new ones on Player notes or on the PMX Bridges tab

Elizabeth Maxwell

Notes Bridges

Required Bridges:

- Elizabeth Maxwell ↔ Charles Estes
Lunch meeting to discuss account management.

Existing Bridges:

- Elizabeth Maxwell ↔ Carlos Estrada
Have meet multiple times re: project. Highlight ROI project will deliver Vista.
- Elizabeth Maxwell ↔ Drew Barrons
Did a similar project for Drew at his previous company.
