

PLAYER MAP X-RAY

Add Our Team for your company, consultants or partners to make it a Player Map

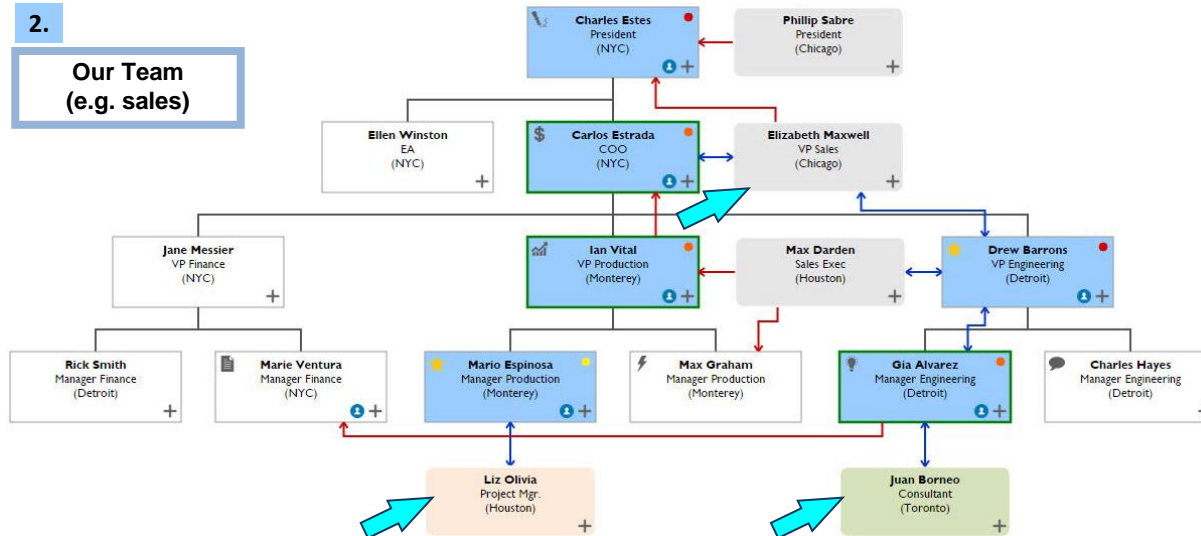

1.

Click “on Our Team”, place them, then color code them

Place +/- level above or below to add bridges, code grey, orange or green to identify your team, partners & consultants – adding your team makes it a Player Map

2.

Our Team
(e.g. sales)

3.

Bridge your team to show
Player Map relationships

Add your team then *bridge* them to key client Players to evolve a static org chart into a Player Map so you can see your relationships with one look on the Player Map
